Dear Ms. Guneratne,

This letter is in further response to your California Public Records Act request, dated January 11, 2019 and received in our Office January 14, 2019 for records available as the result of the implementation of Senate Bill 1421.

On February 15, 2019, you were sent an index of files that were under review for prohibited disclosures.

Attached is the Final Report of the Internal Affairs Investigation of the January 1, 2009 Fruitvale BART Station (Oscar Grant) incident, BART Police Case No. 0901-0027. As noted previously, exempt information has been redacted pursuant to Government Code section 6254(f), as amended by Penal Code sections 832.7(b)(5)(B) and (b)(5)(A). The District's determination that these redacted portions of these documents are exempt from disclosure has been made on the advice of Marco Gomez, Attorney, in the Office of the General Counsel.

The District continues to endeavor to comply as swiftly as possible with the changes enacted by SB 1421 to Penal Code Section 832.7 while preserving the safety and privacy of those protected by the statute and is continuing the process of reviewing the remaining responsive records for prohibited disclosures. The District estimates that the next set of documents will be available by May 14, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you. Thank you for your patience.

Sincerely,

Patricia K. Williams
District Secretary
